School Discipline Data Collection

Data may be submitted electronically for the school year 2003-04. The electronic application opened September 15, 2003. Packets were sent to school districts Monday, September 8, 2003. The relevant documents are the following:

School Discipline Data Reporting Instruction Manual
School Discipline Data Reporting Log
Code Summary Sheet
Instructions for Electronic Submittal of School Discipline Data

The school discipline data reporting electronic application can be accessed from the OPI home page by clicking on the IRIS tab at the top of the screen. Download the Electronic Instructions for School Discipline Data for detailed instructions. For more information contact Pat Reichert at 444-4430, or Marion Erp at 444-1951.
